Castro Valley Plumbing
466 Whitney Street
San Leandro, CA 94577

I am very pleased to write this letter of reference for Castro Valley Plumbing and Richard Mar, President.

As a General Contractor, Branagh Inc. has worked on Condos, Churches, Schools and Tenant Improvement projects with Castro Valley Plumbing. Their contracts have varied in size from \$40,000.00 to \$650,000.00.

We have learned that the best way to approach a construction project is to begin by building a team. Castro Valley Plumbing has been a valuable part of that team providing budget checks that help keep a project on track, as well as recommending the techniques, methods and materials of construction which insure quality while controlling costs.

I can recommend Castro Valley Plumbing without question as a team member for your project. Besides being competent and committed, they are people you will enjoy working with

Sincerely,

Tom Branagh
President
