CASTRO VALLEY PLUMBING

Re: **TESTIMONIAL**

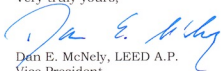

To whom it may concern:

McNely Construction Company has been working with Castro Valley Plumbing for roughly 15 years. We have completed multiple projects over that time. Our satisfaction rate with their pricing, performance and quality is very high.

Office and field staff take our work very personal. They see to it that the job is completed in a timely manner and if any concern ever arises, they are there to address it immediately.

I have recommended Castro Valley Plumbing to other general contractors and property owners in the past and will continue to do so without hesitation.

Very truly yours,
